When a car is unloaded and then reloaded, empty release information must be furnished. If not furnished, demurrage will be continuous until forwarding instructions are received. ITEM 20 **PAYMENT TERMS**

Charges that accrue per this Tariff are due and payable according to ARS' payment terms, as stated in WTS Rules Publication 9011-Series, supplements thereto and successive issues thereof, whichever is applicable.

ITEM 30 **SECURITY DEPOSITS FOR PAYMENT OF DEMURRAGE CHARGES**

ARS has the right to demand that a rail customer (shipper, consignee or other party responsible for the payment of demurrage), with a history of delinquency or nonpayment of demurrage charges not in bona fide dispute, deposit with ARS money or security adequate to pay an **average monthly demurrage bill calculated over the past six months or \$500/per car deposit (lesser of the two amounts)**. (1) The deposit may be satisfied with cash, letter of credit, surety bond or other appropriate instrument. ARS will determine the suitability of the security tendered. (All instruments on deposit are hereinafter referred to as 'security').

If a demurrage bill not in bona fide dispute is not paid when due, immediately thereafter ARS will satisfy the bill by application against the security on deposit. Thereafter, the rail customer will be required to reinstate the value of the security to its former level or to another level equivalent to its average monthly demurrage charge.

Should demand be made upon a rail customer for the deposit or maintenance of security as heretofore stated and should the rail customer refuse or fail to so deposit or maintain the security, ARS may refuse to provide any further rail service until the deposit requirement is fulfilled. If service is refused, ARS will issue an embargo against all rail transportation by ARS to and from that rail customer.

No interest will be paid by ARS on any security deposited with it. It is within the discretion of the ARS to determine when creditworthiness of the rail customer no longer necessitates the imposition of a security deposit. If rail service to the customer is permanently discontinued, upon satisfaction of all demurrage bills the security on deposit will be released and returned.

New rail customers will be required to deposit security equal to an anticipated average monthly demurrage bill.
