Transload/Intermodal Services
 Watco has more than 25 years experience in the lumber, steel and bulk industries. WTIS operates 11 transload/intermodal locations, 7 warehouses and the Greens Port Industrial Park in Houston, Texas.

Mechanical Services
 Watco is the largest mechanical repair provider in the United States with 14 railcar repair shops, 18 mobile mechanical shops and 4 locomotive shops.

Switching Services
 Watco began providing specialized industrial contract switching in 1983 to a customer we still serve today. Watco is the 3rd largest contract switching provider serving 22 locations nationwide and our safety record is among the top in the industry.

Rail Services
 Watco is the 3rd largest short line railroad operator in the United States, moving more than a half million carloads over 3,500 miles of track on 20 short lines.

Our goal is to achieve improved Customer Service by listening to your needs and understanding your business which will then lead to growth for both our businesses.
