

## Watco Companies, Inc. Announcement

Brian Hadley

**Date:** May 5, 2009  
**To:** Watco Team  
**From:** Gary Vaughn, Vice President Safety  
**Subject:** Regional Safety Manager, Gulf Region, Brian Hadley

I am pleased to announce that Brian Hadley has accepted the position of Regional Safety Manager for the Gulf Region.

Brian will be responsible for planning and implementing safety policies and procedures in compliance with local, state, and federal OSHA, FRA, GCOR, Watco Companies, and Customer site-specific rules and regulations to reduce or eliminate occupational injuries, illnesses and related financial losses. He will also be responsible for the safety training of all employees and newly hired employees

Before joining the Watco safety team Brian had been employed by the Union Pacific Railroad since November of 1997. He served as Trainman, Designated Remote Control Operator, Supervisor of Locomotive Engineers. He also served as DPU Engineer and Instructor and was responsible for teaching GCOR to new hires.

Brian will be working out of the Greens Port offices in Houston, Texas and can be reached by cell phone at 281-838-5366 or by e-mail at [bhadley@watcocompanies.com](mailto:bhadley@watcocompanies.com).

Brian was born and raised in Louisiana and likes to spend his spare time watching the New Orleans Saints and the LSU Tigers. He also enjoys playing racquetball.

Brian credits his father, a lifelong railroader, with inspiring him to strive to set and reach high goals and he is anxious to help the safety team meet and exceed the goals that they have set.

Please join us in wishing Brian success in his career with Watco.
