I'm pleased to announce Megan Mann has accepted the position of Financial Analyst for Watco Companies, Inc. In her new role, Megan will report directly to me and be responsible for assisting in both internal and external reporting, acquisition analysis and financial modeling, development of operational tools melding financial and operational data as well as various analysis projects for Watco team members.

Before joining the Watco Team in August, Megan worked for Grant Thornton, a public accounting firm based in Kansas City where she held the position of Financial Audit-In-Charge.
