

Watco Transportation Services, Inc., Announcement

Date: January 14, 2010
To: Watco Team
From: Jimmy Horner, Central Region Director of Operations
Subject: Bill Miskell, Central Region Manager of Car Repair

I am pleased to announce that Bill Miskell has accepted the position of Central Region Manager of Car Repair. He will be responsible for supporting the mobile car repair services within the Central Region and overseeing the progress of the mobile repair locations on the KAW River, Kansas and Oklahoma, South Kansas and Oklahoma and the Stillwater Central railroads.

Miskell began working for Watco in 1997 at the Sun Oil location in Tulsa, Okla., as an engineer/conductor. After five and a half years he transferred over to the car department and worked out of the Lawton, Okla., location. He transferred to the Timber Rock Railroad as a leadman and after one year returned to Okla., to manage the car repair facility in Oklahoma City. Prior to joining Watco, Miskell worked for 11 years in the industry for the Cotton Belt Railroad, Missouri Pacific Railroad and the BNSF.

Miskell and his wife Mary Beth have five children, Kaysie, 29; Kerri, 27; Billy, 26; Caleb, 11 and Riley, 6. When not busy with the repair shops he enjoys hunting, fishing and attending the kid's sporting events.

He will be working out of the Oklahoma City, Okla., mechanical shop office and can be reached by cell phone at 580-704-8344 or by e-mail at bmiskell@watcocompanies.com.

Please join me in congratulating Bill on his new position with the mobile car repair division.
