**Date:** October 6, 2010  
**To:** Watco Team  
**From:** Ray Sargent, Assistant Chief Operating Officer West Region  
**Subject:** Carl Legg, Director of Marketing West Region

I'm proud to announce the promotion of Carl Legg to the position of Director of Marketing for the West Region. Carl joined Watco as the Marketing Manager for two Montana Railroads, the Yellowstone Valley (YSVR) and the Mission Mountain (MMT). He later accepted the position of Eastern Idaho Railroad (EIRR) Marketing Manager. When Watco purchased the Boise Valley Railroad (BVRR) Carl was a natural choice to step in and provide marketing and sales service to the newest West Region property, the BVRR.

Carl will continue in his role as Marketing Manager for the BVRR to further leverage the Customer and community relationships he has developed on the BVRR in addition to assuming direct responsibility for overseeing the west region's marketing managers. He is accustomed to handling a great deal of volume by getting the best out of those around him.

Carl and his wife Diane have been married for more than thirty years; have four grown children and three grandchildren. He enjoys spending time with his family and his grandchildren along with biking and hiking in Idaho.

Carl brings many years of varied business experience to this position and we are looking forward to the changes and direction his experience brings to this position. Please join me in congratulating Carl in his new job and areas of responsibility.

Carl will be working out of the West Region offices in Twin Falls, Idaho, and may be reached by cell at 208-961-1936 or 208-734-4644 ext. 1135 or by e-mail at [clegg@watcocompanies.com](mailto:clegg@watcocompanies.com).
