Date: December 27, 2010
To: Watco Team
From: Bill Richmond, Director of Operations, Central Region
Subject: Chad Jasmin, South Kansas and Oklahoma Railroad General Manager

I'm pleased to announce Chad Jasmin has accepted the position of General Manager for the South Kansas and Oklahoma Railroad. He comes from the West Region, formerly serving as General Manager of the Yellowstone Valley Railroad (YSVR) since October of 2009.

As General Manager of the YSVR Chad led his team to a 546 injury free record as well as reducing days on-line through reeducation, standardizing reporting, creating crew play-books and establishing best practices with the Team Members.

Chad started his railroad career with BNSF in Los Angeles, California as a Conductor where he worked at the Port of Long Beach and Los Angeles as well as working trains to Barstow, California. He was promoted to Assistant Trainmaster, Trainmaster, and Terminal Manager in California and then advanced to BNSF Superintendent of Operations in Fargo, North Dakota where he oversaw the day-to-day operations from Fargo to Mandan/Minot, which included about 750 railroad miles. Chad was instrumental in developing and implementing many successful safety and team building campaigns with BNSF that are still in effect.

Chad and his wife Tammi have two sons; Joran, 19 and Wyatt, 11. He enjoys golf, listening to music, and going to the movies with his family.

Chad will be based out of Cherryvale, Kan., and can be reached at 620-336-2291, by cell phone at 620-205-6568 or by e-mail at cjasmin@watcocompanies.com.

Join me in welcoming Chad to the Central Region as SKOL General Manager.
