

Watco Transportation Services Announcement

Date: September 13, 2011
To: Watco Team
From: Larry Jensen, SVP and Chief Mechanical Officer
Subject: Bill Miskell, Director, Corporate Railcar Services

I am pleased to announce that Bill Miskell has accepted the position of Director, Corporate Railcar Services. In his new position he will report directly to Rik Rainville, Assistant Vice President Corporate Railcar Services and will be responsible for supporting Railroad Car Repair Services system-wide with emphasis on FRA and AAR compliance and adherence to company policies and procedures. He will be working out of Oklahoma City, Oklahoma.

Bill began working for Watco in 1997 at the Sun Oil location in Tulsa, Okla., as an Engineer/Conductor. After five and a half years he transferred to the car department and worked out of the Lawton, Okla., location. He then transferred to the Timber Rock Railroad in Texas as a Leadman and after one year returned to Oklahoma to manage the car repair facility in Oklahoma City. In January 2010, Bill was promoted to Central Region Manager of Car Repair and was responsible for all locations in the Central Region.

Prior to joining Watco, Bill worked for 11 years in the industry for the Cotton Belt Railroad, Missouri Pacific Railroad and the BNSF.

Bill and his wife Mary Beth have five children: Kaysie, 29; Kerri, 27; Billy, 26; Caleb, 11 and Riley, 6. When not busy with the repair shops he enjoys hunting, fishing and attending the kid's sporting events.
