

Greens Port Industrial Park Announcement

Date: July 18, 2011
To: Watco Team
From: Dan Smith, Senior Vice President, Greens Port Industrial Park
Subject: Brian Stott, Greens Port Industrial Park Dock Manager and Facility Security Officer

I am pleased to announce that Brian Stott has taken on the additional responsibilities of Dock Manager and Facility Security Officer (FSO) at Greens Port Industrial Park. As Dock Manager and FSO, Brian's duties will include an enhanced focus on safety and security while continuing to achieve performance goals with optimum economy, efficiency, and effectiveness. Greens Port dock infrastructure includes 1,100 feet of dock frontage capable of serving Panamax Class vessels along with a barge terminal equipped with a 40 ton overhead crane. The Greens Port Dock is a secure facility approved by the US Coast Guard. Greens Port dock not only supports the Industrial Park's Customers but Customers throughout the Gulf Region. The facility is on track to move more than 2MM tons of steel in 2011.

Brian served honorably in the US Air Force for 4 years. In 1981 he went to work as a Welder and Carman at Berwin Railcar in Marshall, Texas, which is now a Watco mechanical shop. In 1983 Brian began working as an Iron Worker until 1997 when he was named Plant Superintendent for Armco Steel at the Houston Greens Port facility. In 2004 when Watco established a partnership position in Greens Port, Brian remained as Plant Superintendent.

Brian enjoys his time away from Greens Port with his wife Tamra and their 7 children along with water skiing and riding his motorcycle.

Brian's Contact Information:

E-mail - bstott@watcocompanies.com

Office phone - 713-455-8457

Cell - 713-203-2950

Please join me in congratulating Brian on his recent promotion.
