

# Watco Transportation Services Announcement

**Date:** August 26, 2011  
**To:** Watco Team  
**From:** Tony Clark, Director of Switching Gulf Region  
**Subject:** Danny Barrington, Switching Location Manager, Boise - DeRidder, La.

I am pleased to announce that Danny Barrington has accepted the position of Location Manager for the Boise, DeRidder, La., location. Danny has been with the switching division for 26 years. He started out in 1985 cleaning cars and switching at Boise and had been the Location Manager at Westvaco for 10 years. He worked as a Track Inspector for Timber Rock Railroad and was the Location Manager at Boise from 1997 to 2001. Danny will be responsible for overseeing the daily switching at the Boise location and providing safe and efficient service according to the Customer First Foundation Principles.

Danny and his wife Michelle have two daughters who are attending the University of Louisiana at Lafayette. In his spare time Danny enjoys spending time with his wife and daughters and riding four wheelers.
