

# Watco Transload and Intermodal Services Announcement

**Date:** August 5, 2011  
**To:** Watco Team  
**From:** Sam Ricci – Director of WTIS Operations Midwest  
**Subject:** Ed Diemert, General Manager of St. Louis transload facility

I am pleased to announce that Ed Diemert has accepted the position of General Manager for the St. Louis, Mo., transload facility. Ed will be responsible for managing operating activities to satisfy Customer needs for timely, accurate, safe and value added care, custody, and control of customer products. He will also be tasked with managing operating and financial resources to achieve a specific level of growth, and growing team members for success.

Ed brings to us a high level of customer service, created from his background in truck sales at Kenworth of St. Louis, where he worked for four years. He has served in other capacities in the trucking industry for 20 years.

Ed and his wife Jodi have one daughter Bailey who is 22. In his spare time he likes working on his farm property, announcing barrel racing that his daughter competes in and bow hunting.

Please join me in welcoming Ed to Watco. He can be reached at:
