

Watco WA Rail Announcement

Date: November 21, 2011
To: Watco Team
From: Jim Griffiths, Western Australia Rail, Chief Operating Officer
Subject: Gabe Puca, Operations Zone Manager

I am pleased to announce that Gabe Puca has started with Watco WA Rail Pty Ltd (WWAR) as the Senior Operations Zone Manager for Kwinana Port. Gabe will be responsible for the overall management of the Zone Team Members, establishing operating plans based on customer projections and the weekly train movement schedule provided by our Customer Logistics Manager.

Gabe comes to us with a varied rail background that began in 1978 when he started as a Junior Traffic Officer with Westrail WA. Progressing through multiple positions over a 29 year period at Westrail (later known as ARG) Gabe had progressed to Operations Coordinator Kwinana when he left to pursue rail infrastructure work as Rail Supervisor with Downer EDI Works. Gabe later moved to SCT Logistics as Rail Manager and then joined Skilled in Perth recruiting Locomotive Operators for various rail companies in Western Australia.

Gabe and his wife Frances have been married for 25 years and are blessed with four daughters, Nicole, Carla and Jessica who are 16 and Natash, 14.

Gabe enjoys watching AFL Football and still manages to play the occasional game of cricket.

Gabe's contact information:

E mail: gpuca@watcocompnaies.com

Mobile Phone: +61 0408577314

Please join me in wishing Gabe Puca success as the Operations Zone Manager Kwinana Port to WWAR.
