

Watco WA Rail Announcement

Date: November 23, 2011
To: Watco Team
From: Jim Griffiths, Watco WA Rail, Chief Operating Officer
Subject: Gregory Montgomery, Watco WA Rail - Operations Zone Manager, Northam area

I am pleased to announce that Gregory Montgomery has started with us in Western Australia as Operations Zone Manager in the Northam area. Greg will be responsible for the overall management of his team members, establishing operating plans based on Customer projections and the weekly train schedule provided by the Customer Logistics Manager.

Greg worked in the automotive industry as a Parts Entrepreneur and a Sales Representative for twelve years. Coming from a family background within the rail industry he decided that the next logical step in his career should be in rail so he applied for and got a apprenticeship as a locomotive driver with the Australian Rail Group, he completed his apprenticeship within 4 years.

Greg met his partner Lisa 12 years ago and they have 2 children, Yolanda, 4 and Keenan, 1. One of Greg's passions is being involved in the volunteer Fire Brigade based in Northam where he has been a member for 15 years and worked his way up to the rank of Captain, which he has been for the past five years. Greg is also heavily involved with the local basketball team being a committee member, referees both junior and senior competitions and competes himself. He is also involved in boxing for fitness, and assists young boxers training for competition.
