

Watco WA Rail Announcement

Date: September 19, 2011
To: Watco Team
From: Jim Griffiths, Watco WA Rail, Chief Operating Officer
Subject: Helen Tognolini, Office Manager

I am pleased to announce that Helen Tognolini has started with us in Australia as our Office Manager. Helen will be responsible for organizing and coordinating office operations and procedures to ensure senior management and organizational effectiveness and efficiencies.

Prior to joining Watco, Helen worked for two years on contract with the Water Corporation of Western Australia as Project Support Officer for the Chief Financial Officer, followed by Office Manager on the project to outsource the Corporations maintenance and operations services. For most of her career Helen worked for the Rail Division of the John Holland Group. Commencing shortly after the Division was established, she provided administration support to management and engineering staff over a 20 year period, being involved in the many changes as the Division grew. Helen commenced her career with the Westpac Banking Corporation.

In her spare time Helen enjoys spending time with her family, baking, handicrafts, and gardening. She also participates in various volunteer roles at the local Mt Pleasant Baptist Church.
