

Watco Mechanical Services Announcement

Date: March 3, 2011
To: Watco Team
From: Larry Lewczyk, Plant Manager, Marshall, Texas
Subject: Josh Frame, Production Manager, Marshall, Texas

I am pleased to announce that Josh Frame has accepted the position of Production Manager for the Marshall, Texas mechanical shop. Josh will be responsible for improving safety, efficiency, customer relations, and improving the inbound inspection process.

Josh has worked for Watco since 2001 and has held the positions of Painter, Inbound Inspector, Inspection Supervisor, Paint/Lining Supervisor and Car Control. Prior to joining the Watco Team Josh worked for Rescar from 1999-2001.

Josh and his wife Jennifer have a three year-old daughter Gracie. He enjoys sports, hunting, fishing and spending time with his family.

Josh can be reached at the Marshall offices at 903-935-7847 or by e-mail at jframe@watcocompanies.com.

Join me in wishing Josh well in his new position as Marshall's Production Manager.
