

# Watco Transportation Services Announcement

**Date:** January 20, 2010  
**To:** Watco Team  
**From:** Jimmy McClain, OKC Terminal Manager, WTIS  
**Subject:** Kristi Salek, OKC Assistant Terminal Manager, WTIS

I am pleased to announce that Kristi Salek has accepted the position of Assistant Terminal Manager for the Watco Transload and Intermodal Services (WTIS) Oklahoma City, Okla., site. In this position her duties will be to assist the Terminal Manager with ensuring site goals of safety, efficiency, and profitability along with assisting with duties resulting from the growth at the Oklahoma City facility.

Kristi started her Watco career in August of 2008 and has been working in the Oklahoma City office performing daily invoicing, collections of past due invoices, maintaining railcar and inventory logs, training Customer Service Representatives in various facility functions and assisting the Terminal Manager with labor and financial measurements.

Kristi and her husband Mike have been married for 15 years and have a 10 year-old son, Riley. In her free time Kristi enjoys spending time with family and friends, redecorating the house, going to the lake, riding the back roads on the Harley and dirt biking with her husband and son.

Kristi can be reached at the OKC facility at 405-619-9376 or by e-mail at [wtisokc@watcocompanies.com](mailto:wtisokc@watcocompanies.com).

Please join me in wishing Kristi success as Assistant Terminal Manager for Oklahoma City, Okla.
