

Watco WA Rail Announcement

Date: November 7, 2011
To: Watco Team
From: Jim Griffiths, Watco WA Rail, Chief Operating Officer
Subject: Lisa Williamson, Operations Zone Manager, Kwinana Port

I am pleased to announce that Lisa Williamson has started with us in Western Australia as Operations Zone Manager for Kwinana Port. Lisa will be responsible for the overall management of her Zone team members, establishing operating plans based on Customer projections and the weekly train movement schedule provided by the Customer Logistics Manager.

Lisa comes to us with a mechanical, marine and engineering background having started her career as an apprenticeship, then moving on to a 1st class fitter and machinist. From there she progressed through the ranks into management moving to the UK to work as a Training and Development Manager for mechanical engineering apprentices. While in the UK Lisa completed her Bachelor of Engineering in Mechanical/Marine Engineering before moving back to Perth in 2008. Lisa brings with her extensive management experience, having worked as a Regional Service Manager for the past three years.

Lisa is a keen sporting enthusiast, playing rugby union for a number of years in Australia and also in the UK. She now enjoys playing touch football.

Lisa's contact information:

E mail: lwilliamson@watcocompnaies.com

Mobile Phone: +61 427601423

Please join me in wishing Lisa success as the Operations Zone Manager Kwinana Port to WWAR.
