

Watco WA Rail Announcement

Date: November 23, 2011
To: Watco Team
From: Jim Griffiths, Watco WA Rail, Chief Operating Officer
Subject: Nicholas Duckett, Watco WA Rail - Customer Service Logistics Officer

I am pleased to announce that Nicholas Duckett has started with us in Western Australia as our Customer Service Logistics Officer. Nick will be responsible for assisting our Customer Service Logistic Manager with the day to day zone logistics planning with the emphasis on Customer Service.

Nick worked for Australian Carbon Fertilisers, one of the premier carbon fertiliser companies in Australia, where he controlled and managed all of the company's fertiliser trials.

Nick relocated from Melbourne on the east coast to Perth to join the WWAR Team. He has completed his degree in International Business, with majors in Logistics and Human Resources. In his spare time he enjoys playing basketball.
