

# Greens Port Industrial Park Announcement

**Date:** July 18, 2011  
**To:** Watco Team  
**From:** Dan Smith, Senior Vice President Greens Port Industrial Park  
**Subject:** Paul Friedrichs, Greens Port Industrial Park Trainmaster

I am pleased to announce that Paul Friedrichs has been promoted to Trainmaster for Greens Port Industrial Park. As Trainmaster, Paul's duties will include an enhanced focus on safety while continuing to achieve performance goals with optimum economy, efficiency, and effectiveness. Greens Port's rail infrastructure includes 22 miles of track, storage capacity for 850 railcars, unit train loading racks, and rail support for Watco's deep water seaport. Greens Port rail also supports the Industrial Park's Customers and numerous facilities along the Houston Ship Channel.

Paul began his career at Union Tank Car in 1993, then in 1996 chose to work on ships with MGM Marine. Paul's Watco career began in 1999 when he hired on as a Switchman at then Rohm and Hass (now DOW) facility. In 2000 he went to Celanese Chemicals as the Crew Leader and then moved to Greens Port in 2004 as a Switchman. Paul was promoted to Yardmaster at Greens Port in 2007.

Paul enjoys his time away from the railroad with his wife Judy and their 9 children.
