

Watco Transportation Services Announcement

Date: December 12, 2011
To: Watco Team
From: Jerry Carter, Director of Operations, West Region
Subject: Ray Howard, OCI Switching Location, General Manager

I am pleased to announce that Ray Howard has accepted the position of General Manager for the OCI switching location in Green River, Wyo. Ray will be responsible for the daily operations at the location; specifically focusing on improving safety, productivity and efficiency.

Ray began his railroad career in 2007 with Balfour-Beatty. He then joined the Watco Team a year later at the switching location for Solvay Chemical in Green River, Wyo.

In his spare time Ray enjoys hiking, riding motorcycles and spending time with his fiancé Teresa and her three boys.

Ray's Contact Information:

Address: 254 County Road 4-6, Green River, WY 82935

E-mail: rhoward@watcocompanies.com

Cell Phone: 307-871-3477

Office Phone: 307-872-7389

Please join me in wishing Ray success as General Manager for the OCI switching location.
