

Watco WA Rail Announcement

Date: December 8, 2011
To: Watco Team
From: Jim Griffiths, Watco WA Rail, Chief Operating Officer
Subject: Rod Bentley, Watco WA Rail, Operations Zone Manager

I am pleased to announce that Rod Bentley has joined the Western Australia Rail Team as Operations Zone Manager for Geraldton. Rod will be responsible for the overall management of his Zone Team Members, establishing operating plans based on Customer projections and also the weekly train movement schedule provided by our Customer Logistics Manager.

Rod comes to us with Project Management and Engineering skills background having managed a variety of large projects in mining and marine both in Western Australia and Southeast Asia.

Rod's last project prior to joining the WWAR Team was overseeing the Karara Mining and Mount Gibson Mining infrastructure development at the Geraldton Port Authority which included the upgrade and development of the Geraldton Port Authority's port rail siding.

Rod and his wife Jodie have three boys; Aiden, 15, Connor, 13 and Lochlan, 11. Rod coaches and manages various youth soccer teams travelling not only throughout WA to matches but Asia as well.
