

Watco Transload and Intermodal Services Announcement

Date: September 28, 2011
To: Watco Team
From: Phil Penner, Transload and Intermodal Services, Senior Vice President
Subject: Ronnie Starling, Transload and Intermodal Services,
Terminal Manager - Harwood, Texas

I am pleased to announce that Ronnie Starling has joined the Watco Transload and Intermodal Services Team as the Terminal Manager for the crude oil transload facility in Harwood, Texas.

Ronnie grew up in El Campo, Texas and has an Associate's Degree in Process Technology. Ronnie has worked in operations at Union Carbide in Seadrift, Texas and previously worked as a pipeline controller for TEPPCO in Houston, Texas.

He spends his time on his cattle ranch in Hallettsville, Texas and enjoys hunting and fishing.

Ronnie's Contact Information:

E-mail: rstarling@watcocompanies.com
Phone: 405-464-5193

Please join me in welcoming Ronnie and wishing him much success in his new job.
