

Watco Companies Announcement

Date: February 22, 2011
To: Watco Team
From: Dan Smith, Senior Vice President, Greens Port Industrial Park
Subject: Tim Holan, Vice President, Greens Port Industrial Park

I'm pleased to announce that Tim Holan has been named Vice President, Greens Port Industrial Park. Tim's responsibilities will include building relationships with current Greens Port Industrial Park (GPIP) Customers to maximize real estate development and service offerings to include wharfage, transloading, railcar storage, and railcar cleaning and repair while focusing on creating operational efficiencies. Tim will continue to develop new business opportunities for GPIP and the Gulf Region to further advance Watco's position as a leader in global supply chain solutions. Through key transportation networks Tim will assure that Watco's commitment to safety is universally recognized.

Prior to joining Watco Companies in February of 2009, Tim was Director of Transloading with MHF Logistical Solutions based in Pittsburgh, Pa. In this role he served nuclear utility companies, the USACE and others in large scale rail based remediation projects requiring detailed logistical solutions for nuclear waste and other hazardous materials.

Tim and his wife Beatriz have two sons; Liam, 5 and Luke, 2. In his spare time Tim enjoys Bible study, family camping and outdoor activities, learning Spanish as a second language, exercise, golf, and watching Steeler football.

Tim will be working out of the Greens Port offices in Houston, Texas and can be contacted at 713-455-1086, by cell at 620-704-9376 or by e-mail at tholan@watcocompanies.com.

Please join me in wishing Tim great success in his new position with Watco.
