

Watco WA Rail Announcement

Date: October 28, 2011
To: Watco Team
From: Jim Griffiths, Watco WA Rail, Chief Operating Officer
Subject: Troy Pritchard, Watco WA Rail, Training and Standards Manager

I am pleased to announce that Troy Pritchard has started with WWAR as our Training and Standards Manager. Troy will be responsible for the management of technical and safety training and standards. This includes training needs analysis based on operational needs scheduling, review and monitoring.

Troy has been in the rail industry in Western Australia for 21 years, starting out as a trainee engineman and working through to a qualified driver. He then progressed through various positions as a driver coordinator, technical trainer and then operations coordinator working in the Geraldton WA Midwest Region.

Troy currently resides in Geraldton with his wife Tonya and son Brock. When not at work, Troy and his family enjoy an outdoor life style of camping and hunting. Troy also has a passion for fast motorcycles.
