

Watco WA Rail Announcement

Date: January 17, 2012
To: Watco Team
From: Jim Griffiths, Western Australia, Chief Operating Officer
Subject: Christine Dow, Rostering and Customer Service Logistics Officer

I am pleased to announce that Christine Dow has joined the Watco Western Australia Rail (WWAR) Team as Rostering and Customer Service Logistics Officer. Christine will be responsible for organizing and coordinating all depot driver rosters, annual leave allocation and monitoring, personal leave and time keeping. Christine will also assist the Customer Service Logistic Manager with day to day zone logistics planning with an emphasis on customer service.

Christine moved from South Australia to Perth to join the WWAR Team. She has over 15 years of rail experience having worked for Queensland Rail and Pacific National where she was responsible for crew and locomotive rosters. Christine's last position in SA was project based working for the South Australian Government with the Safety Team on the Rail Revitalization/Electrification Project for Metro Passenger Train Services.

Christine is engaged to be married to Peter Ward and her interests are American muscle cars (Chevrolet, of course), drag racing, V8 Super Cars or anything else that is fast, the AFL and exploring Western Australian country side.
