

# Watco WA Rail Announcement

**Date:** January 17, 2012  
**To:** Watco Team  
**From:** Jim Griffiths, Western Australia, Chief Operating Officer  
**Subject:** Sandy Stobie, Customer Service Logistics Officer

I am pleased to announce that Sandy Stobie has joined the Watco Western Australia Rail (WWAR) Team as a Customer Service Logistics Officer. Sandy will be responsible for assisting our Customer Service Logistic Manager with the day to day zone logistics planning with an emphasis on customer service.

Sandy comes from a rail background having been a locomotive driver working in Eastern Australia (New South Wales) and Western Australia for Pacific National where she hauled grain, coal and intermodal trains. Sandy has worked in the Pilbara for BHP Billiton hauling iron ore trains and also worked in logistics, warehousing, sales and management.

Sandy is a mother of young twins Makenzie and Jai, who are five years old. Sandy spends her time out and about finding new adventures with them such as, quad riding , camping, fishing and anything that is outdoors.
